

Holden Municipal Library

POLICY: Hours of Service

The Board of Trustees encourages Library use by all residents of the community served by providing access through suitable hours of service.

Regular hours of service will be set by the Board and will be subject to review and alteration from time to time, as community needs and circumstances demand.

The Library will be closed Sundays and statutory holidays. The Library may close during civic holidays, community celebrations, in cases of power failures and/or extreme weather conditions.
