

Accessibility and Accommodation

- It is the policy of the Board to provide access to library materials and services for those patrons with special needs.
- Such services include:
 - Talking Book Services, upon written approved application to those unable to read or handle conventional print materials.
 - Large Print Books will be maintained in the library's collection and/or circulating book blocks are provided for the use of any library patron.
 - Outreach Service: The Library will endeavour to provide an outreach service, upon request, to any patron in the community who, by reason of health, age of unusual circumstance, is unable to reach the library and use its regular services.
 - Other Needs: Whenever possible, the library will attempt to provide, through its own collection and/or regional resources and subject to availability, reasonable access to high interest, low vocabulary materials for all appropriate age levels, including adult basic reading materials.
