

Category: Community Relations
Policy Number: 301
Title: Cooperation with Community Agencies and Clubs

Guidelines and Procedures:

1. Cooperation will take many forms:
 - shared planning, sponsorship of services or programs
 - agreements to share available space
 - consultation with other libraries in the area when applicable
 - having policies to enable information and materials to be exchanged or loaned to other community libraries or agencies
2. The Library Manager shall make the community aware of the library's objectives and services by participating in community events.
3. The Board will encourage cultural, arts and crafts groups in and around the community to use the library for promoting their cause. Groups using the facility must first consult the Library Manager and may be charged a usage fee in accordance with Appendix A.
